Prior Authorization Specific Listing Update — Effective June 1, 2022

The Prior Authorization Department will release an updated version of its Prior Authorization Procedure Specific Listing for Q2 2022.

It will be available for providers to consult in PDF or excel format by the June 1, 2022 effective date. You'll be able to access it by visiting the [Prior Authorization page](#) (the current listing is posted here) on the iCare web site and scrolling down to mid-page. Look for the New Prior Authorization Specific Listing header.

In the interim, we want you to be fully prepared for the upcoming changes.

The following codes will be added to the list requiring PA effective June 1, 2022:
