Section 1 – Introduction

This directory provides a list of *iCare* Family Care Partnership’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

iCare Family Care Partnership encourages you to select a **P**rietary **C**are **P**hysician (PCP), but it is not required. A PCP helps you coordinate all of your medical needs. When you have a health concern, call your doctor’s office. If you think you need to see another doctor, or a specialist, ask your PCP. Your doctor will help decide if you need to see another physician and will give you a referral, if necessary. Your PCP may be a Family Practice, Internal Medicine or General Practice doctor. This guide lists the doctors and clinics that are part of the *iCare* Family Care Partnership provider network.

If you already have a doctor, look through the list to see if he or she is part of the *iCare* Family Care Partnership provider network. Women may choose a women’s health specialist (OB/GYN or nurse midwife) without a referral from your PCP. If you need help choosing a doctor from this directory, please call our Customer Service Department at 1-800-777-4376, 24 hours-a-day, 7 days-a-week. TTY users should call 1-800-947-3529.

The network providers listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral or prior authorization. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered medical services from non-network providers. All covered Long-Term Care Partnership services must be provided by a network provider.

If an out-of-network provider asks you to pay for covered services, please contact our Customer Service Department at 1-800-777-4376, 24 hours-a-day, 7 days-a-week (office hours: Monday-Friday, 8:30 a.m. to 5:00 p.m.). TTY users should call 1-800-947-3529. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services. It is best to ask an out-of-network provider to bill us first, but if you have already paid for the covered services, we will pay you for our share of the cost. If you get a bill for the services, you may send the bill to us for payment. We will pay the provider for our share of the bill and will let you know what, if anything, we have paid.

In most situations, if you are in the plan’s service area, we will cover urgently needed care only if you get this care from a network provider. If the circumstances are unusual or extraordinary, and network providers are temporarily unavailable or inaccessible, our plan will cover urgently needed care that you get from an out-of-network provider. Suppose that you are temporarily outside of our plan’s service area but still in the United States. If you have an urgent need for care, you probably will not be able to find or get to one of the providers in our plan’s network. In this situation (when you are outside of the service area and cannot get care from a network provider), our plan will cover urgently needed care that you get from any provider.

Emergency care can always be obtained in or out of the service area from the nearest available provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor *iCare* Family Care Partnership will be responsible for the costs.

Providers shall comply with appointment access standards adopted by iCare as follows:

- Preventive appointments: within thirty (30) days
- Urgent care: within twenty-four (24) hours
- Emergent care: immediate availability
- After hours coverage/access: twenty-four (24) hours a day/ seven (7) days week
- Dental access guidelines:
 - New patient: within ninety (90) days
 - Routine Care: within ninety (90) days
 - Emergent Care: within twenty-four (24) to seventy-two (72) hours

Providers shall comply with office wait time standards adopted by iCare as follows:

- Office wait times should not exceed thirty (30) minutes after the scheduled appointment time
- Behavioral Health access:
 - Routine office visit: thirty (30) days or less
 - Follow up from an inpatient mental health stay: thirty (30) days or less
