Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-362-3002 (TTY: 711)**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **icarehealthplan.org** or call **1-800-777-4376 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part A/ Part B premiums may be paid for by Wisconsin Department of Health Services (DHS) Medicaid. If Medicaid is not paying your Medicare premium, you must continue to pay your Medicare premiums to remain a member of the plan. Because you get assistance from Medicaid, you pay nothing for your covered services as long as you follow the plan's rules for getting your care. Refer to your EOC for more information.
- ☐ Benefits, premiums and/or copays/coinsurance may change on January 1, 2027.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. For most iCare Family Care Partnership members, Medicaid also pays for your Part A premium (if you don't qualify for it automatically).

Enrollment in iCare Family Care Partnership (FCP) depends on iCare Family Care Partnership's contract renewal. An HMO is a type of health insurance plan that usually limits coverage to care from doctors who work for or contract with the HMO. iCare Family Care Partnership is a Dual Eligible Special Needs Plan (D-SNP) designed for people who meet specific enrollment criteria. This amount is determined by your county and must be paid to keep your eligibility for Medicaid. iCare Family Care Partnership will bill you for the cost share each month.
