B. Background Information about *iCare* Family Care Partnership Plan's Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, drugs, equipment, and other services.
 - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes LTSS providers that you may use as a *iCare* Family Care Partnership Plan member.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- **A Primary Care Physician (PCP)** helps you coordinate all of your medical needs and gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP may be a Family Practice, Internal Medicine or General Practice doctor.
 - If you already have a doctor, look through the list to see if he or she is part of the *iCare* Family Care Partnership provider network. Women may

If you have questions, please call *iCare* Customer Care at 1-800-777-4376 (TTY: 1-800 947-3529), 24 hours a day, 7 days a week. (Office hours: Monday – Friday, 8:30 a.m. – 5:00 p.m. Central time). The call is free. **For more information**, visit www.icarehealthplan.org.

choose a women's health specialist (OB/GYN or nurse midwife) without a referral from your PCP.

- If you need help choosing a doctor from this directory, please call Customer Care and we will help you. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** or **prior authorization** for a specialist or someone that isn't your PCP. A **referral** means that your network PCP or Care Team must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that iCare Family Care Partnership (not your network PCP) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, iCare Family Care Partnership may not cover the service, item, or drug.
 - Referrals or prior authorization **aren't** needed for:
 - emergency care;
 - urgently needed care;
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
 - services from a women's health specialist.
 - Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
 - More information on referrals and prior authorization is available in **Chapter 3** of the *Evidence of Coverage*.
 - You'll also be assigned a care team consisting of a Care Coach who have a minimum of one year healthcare experience and hold a bachelor's degree in addition to the Care Managers who are Registered Nurses and nurse practitioners. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the

If you have questions, please call iCare Customer Care at 1-800-777-4376 (TTY: 1-800 947-3529), 24 hours a day, 7 days a week. (Office hours: Monday – Friday, 8:30 a.m. – 5:00 p.m. Central time). The call is free. **For more information**, visit www.icarehealthplan.org.

tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of care team may include:

- **A Care Manager** that helps you manage your medical providers and services. Care Managers are registered nurses, licensed practical nurses, nurse practitioners or social workers with a bachelor's degree. The Care Manager evaluates the members' needs, educates and promotes member self-management strategies, initiates and updates the Individualized Care Plan (ICP), engages other members of the care team, and refers to internal and external resources as necessary.
- Your **Primary Care Physician**

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Physician (PCP)

First, you should choose a Primary Care Physician (PCP). You can choose any PCP in our network who is accepting new patients. A PCP helps you coordinate all of your medical needs. When you have a health concern, call your doctor's office. If you think you need to see another doctor or a specialist, ask your PCP. Your doctor will help decide if you need to see another physician and will give you a referral, if necessary. Your PCP may be a Family Practice, Internal Medicine or General Practice doctor.

If you already have a doctor, look through the list to see if he or she is part of the iCare Family Care Partnership provider network. Women may choose a women's health specialist (OB/GYN or nurse midwife) without a referral from your PCP.

If you have questions, please call iCare Customer Care at 1-800-777-4376 (TTY: 1-800 947-3529), 24 hours a day, 7 days a week. (Office hours: Monday – Friday, 8:30 a.m. – 5:00 p.m. Central time). The call is free. **For more information**, visit www.icarehealthplan.org.

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you're also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with their medical group.

- If there's a particular specialist or hospital that you want to use, it's important to find out if they're affiliated with your PCP's medical group. You can look in this Directory or ask iCare Family Care Partnership Customer Care to check if the PCP you want makes referrals to that specialist or uses that hospital.
- If you don't stay within your PCP's medical group, iCare Family Care Partnership may not cover the service.
- To choose a PCP, refer to the list of providers in **Section C1** and choose a provider:
 - that you use now, **or**
 - who has been recommended by someone you trust, **or**
 - whose offices are easy for you to get to.
- If you don't choose a PCP in our network, iCare Family Care Partnership will choose one for you.
- If you want help in choosing a PCP, please call Customer Care at the numbers listed at the bottom of this page 24 hours a day, 7 days a week. The call is free. Or visit www.icarehealthplan.org/Find-a-Provider.htm.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Customer at the numbers below and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As an iCare Family Care Partnership member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as home delivered meals, medical and non-medical transportation and supportive home care and attendant care services. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. LTSS is available to members who meet certain clinical and financial requirements.

If you need LTSS your Care Manager can help you and your Care Team determine what options are available to support you in the way you want.

If you have questions, please call iCare Customer Care at 1-800-777-4376 (TTY: 1-800 947-3529), 24 hours a day, 7 days a week. (Office hours: Monday – Friday, 8:30 a.m. – 5:00 p.m. Central time). The call is free. **For more information**, visit www.icarehealthplan.org.

B5. How to access *iCare Family Care Partnership's* network providers

You may need a referral for someone who isn't a PCP. There's more information about referrals in **Section B1**.

You must get all of your covered services from providers within our network. If you use providers who aren't in *iCare Family Care Partnership's* network **(without prior authorization), you may have to pay the bill.**

A **prior authorization** is an approval from *iCare Family Care Partnership* to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan or your PCP's medical group for other non-emergency services if *iCare Family Care Partnership* gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. For some providers, you may need a referral from your PCP.
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Customer Care if you're using a specialist or getting other covered services that require PCP approval. Customer Care will help make sure that you can continue your specialty care and other services when you change your PCP.
- *iCare Family Care Partnership* works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, *iCare Family Care Partnership* can help you. Talk to your care team for assistance.

C. *iCare Family Care Partnership's* List of Network Providers

This part of the Directory includes a list of *iCare Family Care Partnership's* network providers who participate in and accept *iCare Family Care Partnership*. It contains:

If you have questions, please call *iCare Customer Care* at 1-800-777-4376 (TTY: 1-800 947-3529), 24 hours a day, 7 days a week. (Office hours: Monday – Friday, 8:30 a.m. – 5:00 p.m. Central time). The call is free. **For more information**, visit www.icarehealthplan.org.

- **Health care professionals** including primary care providers, specialists, behavioral health providers, dental service providers, and vision service providers.
- **Facilities** including hospitals, nursing facilities, and behavioral health facilities.
- **Support providers** including Long-term Services and Supports (LTSS) (for example, adult day health) and community support services (for example, peer supports).

Cultural competence training is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

The providers in this Directory are organized alphabetically by medical group. You may get services from any of the providers on this list that are affiliated with your PCP's medical group. For some services, you may need a referral from your PCP or prior authorization from iCare Family Care Partnership. Providers are listed in alphabetical order by last name. You can also find the provider's name and the page where the provider's additional contact information is in the Index at the end of the Directory. Providers are listed in alphabetical order by last name in the Index. In addition to contact information, provider listings also include specialties and skills, such as languages spoken (including American Sign Language (ASL) or completion of cultural competence training.

All providers in this provider directory accept both Medicare and Medicaid.
