## D. Background Information about iCare Family Care Partnership's Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** iCare Family Care Partnership and have agreed to provide drugs to you as a member of the plan.

While most of the drugs you get from a pharmacy are covered by iCare Family Care Partnership, other drugs may be covered by Wisconsin Medicaid. This can include some over-the-counter medications and certain vitamins. For drugs covered by Wisconsin Medicaid, please visit the ForwardHealth website [www.dhs.wisconsin.gov/forwardhealth/resources.htm](http://www.dhs.wisconsin.gov/forwardhealth/resources.htm) for more information. You can also call the ForwardHealth Member Service Center at 1-800-362-3002 and TTY 711 (Wisconsin Relay). Please bring your ForwardHealth Card when getting prescriptions through Wisconsin Medicaid.

Please contact iCare Family Care Partnership Customer Care at the numbers listed at the bottom of this page or contact your Care Manager for assistance.

iCare Family Care Partnership members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the iCare Family Care Partnership *Evidence of Coverage* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about iCare Family Care Partnership network pharmacies in your area, please visit our website at [www.icarehealthplan.org](http://www.icarehealthplan.org) or call Customer Care at the numbers listed at the bottom of this page, 24 hours a day, 7 days a week. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Evidence of Coverage* and iCare Family Care Partnership's *List of Covered Drugs*.

### D1. Types of pharmacies in iCare Family Care Partnership's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.

---

**If you have questions**, please call iCare Customer Care at 1-800-777-4376 (TTY: 1-800 947-3529), 24 hours a day, 7 days a week. (Office hours: Monday – Friday, 8:30 a.m. – 5:00 p.m. Central time). The call is free. **For more information**, visit [www.icarehealthplan.org](http://www.icarehealthplan.org).

- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

You aren't required to continue using the same pharmacy to fill your prescriptions.

## **D2. Long-term supplies of prescriptions**

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 100-day supply. It costs you the same as a one-month supply. For details on where and how to get a long-term supply of a drug, refer to Chapter 5 of this Evidence of Coverage.

## **E. iCare Family Care Partnership’s List of Network Pharmacies**

This part of the Directory includes a list of iCare Family Care Partnership’s network pharmacies that **participate in and accept** iCare Family Care Partnership.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and iCare Family Care Partnership’s formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Independent Care Health Plan. When it refers to “plan” or “our plan,” it means iCare Family Care Partnership.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under iCare Family Care Partnership only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed.

For the most current list or if you have questions, please contact us by calling the number at the bottom of the page.

**If you have questions**, please call iCare Customer Care at 1-800-777-4376 (TTY: 1-800 947-3529), 24 hours a day, 7 days a week. (Office hours: Monday – Friday, 8:30 a.m. – 5:00 p.m. Central time). The call is free. **For more information**, visit [www.icarehealthplan.org](http://www.icarehealthplan.org).

- ❖ **This is a list of iCare Family Care Partnership Plan's network providers for Adams, Columbia, Dane, Dodge, Green Lake, Jefferson, Kenosha, Marquette, Milwaukee, Racine, Rock, Sauk, and Waushara counties**, which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please visit [www.icarehealthplan.org/Find-a-Provider](http://www.icarehealthplan.org/Find-a-Provider) for a listing of all of the pharmacies in our network.

The network of pharmacies in this directory are divided into five categories:

### **E1. Retail Pharmacies, including Chain Pharmacies**

Prescriptions may be filled at retail pharmacies located within your community. These pharmacies are often located in grocery stores, drug stores, and in other retail settings. Typically, these pharmacies provide a 30-day supply of medication for in-person pickup. In some cases, a 3-month supply may be available for select medications.

### **E2. Mail-order pharmacy**

You can get prescription drugs shipped to your home through our plan's network mail-order pharmacies. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. Our plan's mail order pharmacies may allow you to order up to a 100-day supply of the drug. A 100-day supply has the same copay as a one-month supply. Drugs available through our plan's mail-order pharmacies are marked as mail-order drugs on our Drug List. Usually, a mail-order prescription arrives within 10 days.

New prescriptions the pharmacy gets from your provider's office may automatically be filled and delivered without checking with you first, if:

- You used mail-order services with our plan in the past and they are still in our network, or
- You sign up for automatic delivery for all new prescriptions you get directly from health care providers. You may ask for automatic delivery of all new prescriptions now or at any time by calling Customer Care at the number below.

If you get a prescription automatically by mail that you don't want, and you weren't contacted to find out if you wanted it before it shipped, you may be eligible for a refund.

If you used mail-order in the past and don't want the pharmacy to automatically fill and ship each new prescription, contact us by calling Customer Care at the number below.

---

**If you have questions**, please call iCare Customer Care at 1-800-777-4376 (TTY: 1-800 947-3529), 24 hours a day, 7 days a week. (Office hours: Monday – Friday, 8:30 a.m. – 5:00 p.m. Central time). The call is free. **For more information**, visit [www.icarehealthplan.org](http://www.icarehealthplan.org).

The pharmacy contacts you each time it gets a new prescription from a health care provider to find out if you want the medication filled and shipped immediately.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allows you to cancel or delay the order before it's shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

To opt out of automatic deliveries of new prescriptions you get directly from your health care provider's office, contact us by calling Customer Care at the number below.

### **E3. Home Infusion Pharmacies**

Our plan offers infusion therapy coverage for eligible specialty medications or biological substances administered through injection or intravenously (IV). For more information about home infusion therapy and pharmacy offerings, please see Chapter 5 of the *Evidence of Coverage*.

### **E4. Long-Term Care Pharmacies**

Residents of a long-term care facility, such as a nursing home, may access their covered drugs through the facility's pharmacy or another network pharmacy. To learn more about drug coverage in special cases, refer to Chapter 5 of the *Evidence of Coverage*.

### **E5. Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies**

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through iCare Family Care Partnership's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to use these pharmacies under limited circumstances (for example, emergencies).

To learn more, please refer to Chapter 5 of the *Evidence of Coverage*.

**If you have questions**, please call iCare Customer Care at 1-800-777-4376 (TTY: 1-800 947-3529), 24 hours a day, 7 days a week. (Office hours: Monday – Friday, 8:30 a.m. – 5:00 p.m. Central time). The call is free. **For more information**, visit [www.icarehealthplan.org](http://www.icarehealthplan.org).
