

# INFORmed newsBRIEF

March 7, 2022

**Help spread the word!**

**Please forward this e-mail to others in your organization that need this information. Thank you!**

Because we care about your patients and their health, we are writing to let you know that a pharmacy many of your patients currently use, Hayat Pharmacy, will no longer be in the iCare Medicare pharmacy network beginning on March 25, 2022.

Because of this, iCare will no longer pay for any prescriptions from Hayat Pharmacy starting March 25, 2022.

If your patients are still in need of this prescription(s) being supplied by Hayat Pharmacy, please call/send in a new prescription to the pharmacy of their choice. Their local pharmacy will be able to fill this prescription. All iCare members are eligible to receive a 90-day supply for the cost of a 30-day supply. Please reference [this chart of pharmacies that work with iCare](#).

These patients may also use iCare's preferred mail-order pharmacy, MedImpact Direct. The member will need to register with MedImpact Direct prior to new Rx's being sent over.

If you have any questions, please contact Customer Service at 1-800-777-4376, Monday – Friday, 8 a.m. – 8 p.m. TTY/TDD users should call 1-800-947-3529.

Thank you,  
Sarah Dykstra, Pharm.D  
*Director of Pharmacy Services*
