What to do now

- Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including authorization requirements and costs.
 - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2024 "Drug List" to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices.

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare web site or review the list in the back of your *Medicare & You 2024* handbook.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's web site.

3. CHOOSE: Decide whether you want to change your plan.

- If you don't join another plan by December 7, 2023, you will stay in iCare Family Care Partnership.
- To **change to a different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2024**. This will end your enrollment with iCare Family Care Partnership.

SECTION 1 Changes to Benefits and Costs for Next Year

Section 1.1 – Changes to the Monthly Premium

Cost	2023 (this year)	2024 (next year)
Monthly premium \$0 (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)		\$0 There is no change for the upcoming benefit year.

Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2023 (this year)	2024 (next year)
Maximum out-of-pocket amount \$0 Because our members also get assistance from Medicaid, very few members ever reach this out-of-pocket maximum. You are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services. Your costs for covered medical services (such as co-pays) count toward your maximum out-of-pocket amount. You do not pay a plan premium or pay for prescription drugs so, there is nothing to count toward your maximum out-of-pocket amount.		\$0 There is no change for the upcoming benefit year.

Section 1.3 – Changes to the Provider and Pharmacy Networks

Updated directories are located on our web site at www.iCareHealthPlan.org. You may also call Customer Service for updated provider and/or pharmacy information or to ask us to mail you a

directory, which we will mail within three business days.

There are changes to our network of providers for next year. **Please review the 2024 Provider/Pharmacy Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2024 Provider/Pharmacy Directory to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) and pharmacies that are a part of your plan during the year. If a mid-year change in our providers affects you, please contact Customer Service so we may assist.

Section 1.4 – Changes to Benefits and Costs for Medical Services

Please note that the *Annual Notice of Changes* tells you about changes to your Medicare benefits and costs.

We are making changes to costs and benefits for certain medical services next year. The information below describes these changes, which we will mail within three business days.

Cost	2023 (this year)	2024 (next year)
Because you are a member of iCare Family Care Partnership and receive Medicaid assistance with your Medicare cost-sharing amounts, you are not responsible for paying any out-of-pocket costs for covered Part A and Part B services in 2023 or 2024. Section 1.5 – Changes to Part D Prescription Drug Coverage

Changes to Our "Drug List"

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our "Drug List" is provided electronically.

We made changes to our “Drug List,” which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different costsharing tier. **Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different costsharing tier.**

Most of the changes in the "Drug List" are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online "Drug List" to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

Changes to Prescription Drug Costs

Note: Because you are in a program that helps pay for your drugs (“Extra Help”), the information about costs for Part D prescription drugs does not apply to you.

There are four **drug payment stages**. The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

Stage	2023 (this year)	2024 (next year)
Stage 1: Yearly Deductible Stage	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

Changes to Your Cost Sharing in the Initial Coverage Stage

Stage	2023 (this year)	2024 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p> <p>Most adult Part D vaccines are covered at no cost to you.</p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing.</p> <p>For information about the costs for a long-term supply or for mail-order prescriptions, look in Chapter 5 of your Evidence of Coverage.</p> <p>We changed the tier for some of the drugs on our Drug List. To see if your drugs will be in a different tier, look them up on the Drug List.</p>	<p>Because you qualify for “Extra Help,” you will pay \$0 for all Medicare covered prescription drugs for all formularies, on all tiers.</p> <p>Your cost for a one-month supply filled at a network pharmacy:</p> <p>Preferred Generic Standard cost sharing: You pay \$0 per prescription.</p> <p>Generic Standard cost sharing: You pay \$0 per prescription.</p> <p>Preferred Brand Standard cost sharing: You pay \$0 per prescription.</p> <p>Non-Preferred Drug Standard cost sharing: You pay \$0 per prescription.</p> <p>Specialty Tier Standard cost sharing: You pay \$0 per prescription.</p> <p>Once your total drug costs have reached \$4,660, if applicable, you will move to the next stage (the Coverage Gap Stage).</p>	<p>If you receive “Extra Help”, you will pay \$0 for all Medicare Part D covered prescription drugs on our formulary for the entire calendar year.</p>

Important Message About What You Pay for Vaccines — Our plan covers most Part D vaccines at no cost to you. Call Customer Service for more information.

Important Message About What You Pay for Insulin — You won't pay more than \$0 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 – If you want to stay in iCare Family Care Partnership

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our iCare Family Care Partnership.

Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2024 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan;
- -- *OR*-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

As a reminder, Independent Care Health Plan and its parent company, Humana, offers other Medicare health plans *AND/OR* Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from iCare Family Care Partnership.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from iCare Family Care Partnership.
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - o Send us a written request to disenroll. Contact Customer Service if you need more information on how to do so.
 - o – or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do not enroll in a separate Medicare prescription

drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

If you are changing plans, you must also contact your local Aging and Disability Resource Center (ADRC). Please see Chapter 2 in the *Evidence of Coverage* for the telephone numbers of the ADRCs. You can also use the following link to find an ADRC in your area: <https://www.dhs.wisconsin.gov/adrc/consumer/index.htm>.

SECTION 3 Changing Plans

If you want to change to a different plan or Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

Because you have Wisconsin Medicaid, you may be able to end your membership in our plan or switch to a different plan one time during each of the following Special Enrollment Periods:

- January to March
- April to June
- July to September

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 4 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Wisconsin, the SHIP is called the Wisconsin State Health Insurance Assistance Program.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. The SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Wisconsin SHIP at 1-800-242-1060 or 1-855-677-2783 (for people age 60 or over), or 1-800-926-4862 (for people under age 60). You

can learn more about the Wisconsin SHIP by visiting their web site: <https://www.dhs.wisconsin.gov/benefit-specialists/medicare-counseling.htm>

For questions about your Wisconsin Medicaid benefits, contact the Wisconsin Department of Health Services (DHS), 1-800-362-3002 (TTY users should call WI Relay 711) Monday – Friday from 8:00 am to 6:00 pm. You can also contact your local Aging and Disability Resource Center (ADRC). To find a location near you visit <https://www.dhs.wisconsin.gov/adrc/consumer/index.htm> or you can refer the Evidence of Coverage, Chapter 2 for contact information. Ask how joining another plan or returning to Original Medicare affects how you get your Wisconsin Medicaid coverage.

SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in “Extra Help,” also called the Low-Income Subsidy. “Extra Help” pays some of your prescription drug premiums, annual deductibles, and co-insurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about “Extra Help,” call:
 - o 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - o The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
 - o Your State Medicaid Office (applications).
- **Help from your state’s pharmaceutical assistance program.** Wisconsin has a program called SeniorCare that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the AIDS/HIV Drug Assistance Program (ADAP) and the Insurance Assistance Program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call 608-261-6952, 608-267-6875, or 1-800-991-5532.
